This warranty is for material supplied by AJW only, and only applies to the original installation of the material, installed in accordance with AJW's written installation instructions and drawings. AJW's recommendations for proper handling, storage, cleaning, and maintenance must be followed for this warranty to be valid.

This warranty excludes defects in the locker caused by: vandalism, improper usage, improper installation, neglect, or failure in the structure of the building. Damage to, or fading of paint as a result of exposure to excessive moisture, humidity, or corrosive chemicals is also excluded under this warranty. Regular maintenance is required for this locker warranty to be valid.

If the material is found to be defective in workmanship or materials within the specified time frame listed above, from the date of shipment, AJW will replace all affected material free of charge. AJW will not be responsible for any expenses including, but not limited to the removal, installation costs, or any other costs associated with the repair or replacement of the material.

The replacement or repair of defective material as stated in this warranty shall constitute the sole remedy of the buyer and the sole liability of AJW under this warranty. AJW shall not be liable for any incidental, consequential or indirect damages caused by the failure or defect in the material supplied, or any delay in the replacement or repair of warranty items.

Warranty claims must be made during the warranty period, and communicated to AJW by contacting AJW Architectural Products at 509 Temple Hill Road – New Windsor, NY 12553 - Phone: 845-562-3332.
