U650-SM: Full surface mounted collar.

Towel Capacity: 600 c-fold or 800 multifold

Waste Capacity: 12 gallons (1.6 cu ft)

Options :

-VL1: Vinyl Liner

INSTALLATION

Coordinate installation with architect and contractor to avoid interference with pipes, vents, etc. Provide a rough wall opening 15 3/4"W x 52 1/2"H. See chart for required wall depth. If collar is required, slide collar over the back before installing into wall. Remove waste from cabinet and mount unit plumb and true in opening with proper fasteners per application. Secure waste in cabinet and load paper towels.

When cleaning cabinet use a non abrasive non-chloric solution and wiped off with the grain of the cabinet.

NOTES
