MOUNTING	HANDING	TYPE	SIZE	OTHER

SPECIFICATIONS

Bench / Backrest: Fabricated of polyethylene, blow molded plastic seat with drainage holes and hand grips.

Frame: Constructed of 1"OD anodized aluminum with rubber anti slip feet. Seat is constructed to withstand up to 250 lbs of a static load.

Overall Size: 20"W x 12 1/8"D (seating area)

508mm x 267mm

Adjustable Height: Seat: 14" - 21" (356mm-533mm)

Adjustable backrest: 25" - 32" (635mm - 812mm)

INSTALLATION

Since this is a removable tub seat, no hardware or wall openings are required. Do not stand on seat.

NOTES
