This warranty is for material supplied by AJW only, and only applies to the original installation of the Visual Display Products, installed in accordance with AJW's written installation instructions. The replacement or repair of defective material as stated in this warranty shall constitute the sole remedy of the buyer and the sole liability of AJW under this warranty. AJW shall not be liable for any incidental, consequential, or indirect damages caused by the failure or defect in the material supplied, or any delay in the replacement or repair of warranty items.
